

Totally Cooked™

Event Management & Catering

A message from your Totally Cooked friends.

It's been a tough few weeks and navigating the unknown is a challenge we all continue to face each day. As many of you may already know, Totally Cooked Event Management & Catering made the decision to temporarily close until which time we will be able to resume operations that are safe for our employees, clients and partners.

We're here to help to answer your questions.

During this time we understand that many of you may have questions regarding events you had to cancel or future events you are excited to plan but understandably are uncertain about. Our Event Coordinators and Customer Care Associates are available to answer your questions and address your concerns. We will continue to check phone/email messages as well as answer your inquiries sent through our website and will respond as soon as possible.

Conversation over a delicious meal with friends, family and work colleagues is a human universal. It's a wonderful time to connect with one another. It's something we love to be a part of and we are looking forward to getting back to what we are so passionate about doing.

Thank you in advance for your patience and understanding as we all continue to monitor the situation. We hope you and your families stay healthy and we appreciate your support in keeping our community safe during these unprecedented times.

Thank you and be well.
